

Wilson Mohr University

Honeywell Zoning

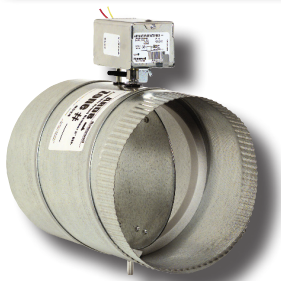

Thursday, April 8

8 - 10 a.m. and 5 - 7 p.m.

Presented by Jason Abijan

Many homeowners are dissatisfied with their home comfort system, Honeywell's zoning products can not only satisfy your customers, but increase your bottom line!

Learn the advanced features of the new Honeywell zoning panels and learn how to size and select control and bypass dampers. See what the market opportunity is for residential zoning and sales strategies to show your customer all the features and benefits of having an advanced home comfort system.

Training Will Cover

- Market Opportunity
- System Design
- Product Selection
- Installation

Cost of Class is \$25

Attendees receive 10% off your next Honeywell zoning product purchase

Coupon expires 30 days after class
